Date

Dear

Thank you for making an appointment with Mr Donald Mactaggart regarding your pets skin condition.

Your appointment time isonat our Clovenstone surgery.

There is a map and questionnaire enclosed, please fill in the questionnaire and bring it with you to the appointment

It will help us to help your pet if you follow these instructions ;

Feeding

Please do not feed your pet from 8pm the night before your appointment as feeding may interfere with blood and other tests which we may wish to perform.

Medication

Please stop all medication including shampoos prior to the appointment. This is because some medications may affect our ability to perform certain examinations or tests. If you are worried about this please telephone Mr Mactaggart to discuss the medication.

Payment

The cost will depend on what tests and medication is required but a rough guide would be from two hundred to four hundred pounds for the first consultation excluding treatment. This is payable at the time and we accept all major credit cards and maestro payments.

Please allow a **two hour** stay at the practice as further tests may be carried out after the one hour appointment.

If you have any questions please feel free to contact Mr Mactaggart and tell our receptionists it is regarding a skin referral.

We look forward to seeing you and your pet.

Donald C Mactaggart BVM&S, Cert SAD, MRCVS
